COMMISSION

Prepared by Rockingham Planning Commission

September 2015

Flood-Related Measures 2016-2018

- Evaluated Hampton's eligibility for FEMA's Community Rating System
- Reduced the Impervious Coverage Threshold
- Re-organized the Floodplain Ordinance and added 1 ft. of Freeboard
- Updated the Hazard Mitigation Plan
- Revised Town Wetland Permit application to include flood hazard zones

Upcoming Projects

- Requiring open foundations in 50' tidal buffers or all Coastal Flood Hazard Zones
- Hampton Master Plan Update
