# Materials for Today

Agenda

Summit Evaluation

Climate Summit Presenters and Attendees List

NHCRHC Science Report Summary

To Follow
Climate Summit Resource List

# Charge to Speakers

Speakers were asked to address three things.

1. Introduce their research or topic.
2. Explain key result(s)
3. Tell us why it is important

And if time, tell us what they think should be researched or done next.

Speakers are under a severe time challenge, with time to answer key question(s).

# Charge to Attendees

Contribute and add your energy

Focus questions on the work presented

Help direct future work and effort by identifying the highest priority needs

Please address questions of technique or procedures at lunch or after the Summit

Network… Network… Network…
