

Water, Weather, Climate and Community Workshop Series Renewable Energy in Your Community

Thursday June 9, 2016 5:00 - 7:30 pm

(light dinner provided 5:00-5:30)

Hugh Gregg Coastal Conservation Center

89 Depot Road, Greenland, N.H.

FOR: MUNICIPAL BOARDS COMMUNITY ORGANIZATIONS LOCAL ENERGY COMMITTEES

Presenters:

- **Kate Epsen**, NH Sustainable Energy Association
- **Charlie Forcey**, Durham Energy Committee and Seacoast Regional Energy Hub
- **Leigh Cameron**, New England Grassroots Environmental Fund

Presentations and discussion will focus on **what communities can do to open doors to renewable energy use and energy efficiency**. Join Seacoast community members and leaders to:

- Become more familiar with opportunities and challenges for incorporating renewable energy and energy efficiency in our communities.
- Learn how local communities can enable and encourage the use of renewable energy and energy efficiency in our communities.
- Locate funding that can support local renewable energy projects and energy efficiency in our communities.

Workshop is **FREE**, but space is limited— Please register by 5 PM on Monday June 6, 2016.
