

Newington Fox Point Shoreline Stabilization Options

Monday, March 26, 2018

12:25PM to 4:30PM

Hiatt Property, Town Fox Point Property, and Newington Town Offices (see directions & map on page 2)

Objectives:

- Learn about shoreline stabilization approaches for steep bank environments that have worked elsewhere in the Northeast; understand pros and cons associated with approaches
- Identify opportunities to inform guidance, designs, and permitting for steep shoreline stabilization projects at specific sites on Fox Point in Newington
- Identify partnership and funding opportunities for future shoreline stabilization project work in the Great Bay Estuary

Agenda:

12:00PM Carpoolers meet at Newington town offices to consolidate vehicles. Drive to Stop #1.

12:25PM Stop #1 | Meet at Hiatt Property on shoreline at project site | 80 Little Bay Rd.
Welcome & Introductions (Kirsten)

12:40PM Hiatt Property project introduction & site observations (Jeff, Ken, and Seth)

1:10PM Depart to Stop #2 Town Fox Point Property "The Boat Ramp"

1:25PM Stop #2 | Town Fox Point Property project intro & observations at "The Boat Ramp"
(Jerry, Jane, Tristan, and Seth)

1:50PM Depart to Stop #3 Town Fox Point Property "The Beach"

2:00PM Stop #3 | Town Fox Point Property project site observation at "The Beach"
(Jerry, Jane, Tristan, and Seth)

2:20PM Depart to Stop #4 Newington Town Offices and short break | 205 Nimble Hill Rd.

2:40PM Stop #4 | Context of shoreline stabilization in the Great Bay Estuary (Kirsten)

2:50PM Sharing lessons about bank stabilization
Presentation by Seth Wilkinson, Wilkinson Ecological Design followed by questions

3:50PM Working Session on the Fox Point Sites
Break into two groups: Little Bay Rd. & Town Property
Discussions facilitated by Kirsten Howard and Steve Miller

4:20PM Report out and wrap up (Kirsten)

4:30PM Adjourn

Meeting location notes:

We strongly recommend carpooling to the field sites. **Meet in the Newington Town Office parking lot at 12PM in order to consolidate vehicles.** Address: [205 Nimble Hill Rd., Newington NH.](https://www.google.com/maps/place/205+Nimble+Hill+Rd,+Newington+NH)

If you are meeting us at **Stop #1 (the Hiatt Property)** at 12:25PM, please park in the driveway and follow directions down to the shoreline area. Address: [80 Little Bay Rd., Newington NH.](https://www.google.com/maps/place/80+Little+Bay+Rd,+Newington+NH)

Directions: Google Maps is not accurate. Driving from the Fire Station on Fox Point Rd., take a left onto Little Bay Rd. Drive half a mile and turn right onto the driveway where the mailboxes read 80 and 84. Stay right where the driveway splits. Park in the driveway. (See map on page 2 for more info).
