

LIVING WITH WATER

Approved for
3 CEUs
in NH & ME

TUESDAY, NOVEMBER 18, 9AM-12PM
Strawbery Banke Museum, Portsmouth, NH

Become the 'source of the source' for your clients when it comes to questions about what it means to live near the water and coastal habitats. You'll learn about local, state, and federal resources related to water quality and flooding, and what these topics mean for potential buyers and sellers, including 2024 updates to disclosure requirements in NH and ME. You'll also have a chance to see how the Strawberry Banke Museum is adapting to flooding.
